

Serial No. 09/994,985

IN THE SPECIFICATION

Amend the paragraph beginning at page 2, line 1 as follows:

A local news station in New York City, "NY1," takes this playback capability one step further. That station's website (~~www.ny1.com~~) includes a "Build-A-Newscast" section where users may create their own newscast simply by selecting from a menu of about fourteen topic areas up to three currently-airing video clips in the order the user desires.
